Title	National Legal framework: Asylum system in Cyprus
Summary	<p>The rights of Refugees' and legal obligations of Nation States to refugees are covered internationally by the 1951 United Nations Convention Relating to the Status of Refugees also known as 1951 Refugee Convention and, the 1967 Protocol Relating to the Status of Refugees.</p> <p>Cyprus is a signatory to both the 1951 Refugee Convention and the 1976 Protocol. Incisively, it ratified the Refugee Convention on 16th May 1963 and the 1976 Protocol on 9th July 1968.</p> <p>As a member of the European Union (EU), Cyprus obeys all legal mandates as enshrined under European law especially as a member of the Dublin Regulation in which defines the country responsible for providing asylum to a refugee applicant; and obliges that the application of an asylum seeker be examined only by one State.</p> <p>At national level, some of the most central domestic legislative acts that entail issues such as the asylum procedures, detention and reception conditions are shown on Table 1.</p>
